We are looking ahead to the 2023-2024 season with anticipation and excitement for what will be a season full of can't miss events! There is no place like Gleneagles, and we are committed to bringing the magic of Gleneagles to each and every one of you, all season long.

Florida winter weather is extraordinary. It provides the perfect setting for all your favorite outdoor social activities, including our outdoor concert series, which will return for the fourth season. There is not much better than enjoying live music with your friends while dancing and singing in perfect weather.

In order to celebrate our 40th Anniversary and the 100th Anniversary of our namesake Gleneagles in Scotland, Eagles Have Landed will feature a "Mad for Plaid" Scottish theme that is sure to leave you eager to plan your next trip to the Scottish Highlands. Later in the season, we'll have dinner shows

and cabaret evenings that will include musical performances in a variety of genres. The Legends Lounge is your destination for live music and fun, featuring everything from live music to trivia, all year long.

Gleneagles University is back this season, featuring an award-winning lineup of lectures, trips, and a new book club. Topics span the arts, history, and even artificial intelligence.

In addition to all the social events, golf, tennis and Pickleball will feature friendly competition and camaraderie while the Healthy Lifestyle events will help to make your Gleneagles life the best it can be.

The Eagles Have Flown party will be a Night of Illusion featuring unique, extraordinary, and interesting décor and entertainment for the final celebration of the season.
