forward **TOGETHER**

Welcome to another great season at Gleneagles! We hope everyone had a wonderful off-season whether here or away from Gleneagles. We are looking forward to seeing all of you in and around the club.

The Tennis and Pickleball courts are in fantastic shape. The Legends Course has refurbished greens and tee boxes as well as new forward tee boxes on holes 1, 2, 3, 5, 7, 9, 10, 12, 13, 16 and 18. The Victory Course is in great shape too. It is going to be another great season on the courts and courses.

The Clubhouse Renovation is proceeding on schedule with Phase I. The new addition that will include the administrative offices and the Highlands Room is rising as are the new golf cart storage facility and the new restaurant incorporating the former Veranda. The new restaurant will be known as Skye, and will include a beautiful bar and will offer a unique dining experience. An application for a building permit for Phase II has been submitted and is undergoing review by the Palm Beach County Building Department. Phase I remains scheduled for completion in October 2027. Well before Phase II begins, members will receive a detailed operating and navigation plan identifying available dining venues, temporary entrances, parking and valet procedures, accessible routes, event locations and other service adjustments. When Phase I is completed, Phase II will commence, at which time Legends Dining Room, Legends Lounge, the lobby and porte cochere, the Men's and Ladies' Locker Rooms and the Men's and Ladies' Card Rooms will be closed. Dining will be available in the Grille Room and Glen Bar, and the Skye restaurant and bar.

We recognize the disruption caused by the Clubhouse Renovation and appreciate your patience and understanding as we navigate this important project. Construction routes, entrances, parking arrangements, event locations and operating procedures may change as

the work progresses. Please follow all posted directional and safety signage and do not enter fenced construction or staging areas. Accessible parking, drop-off locations and entrances will continue to be maintained. Available parking near the clubhouse has been reduced because of the construction trailer and staging areas. We encourage members to use valet parking whenever possible. Members living near the clubhouse may also wish to walk, and carpooling with friends and neighbors will help reduce congestion. Please allow additional time when arriving for dining, golf, meetings and special events, particularly during peak hours, and be sure to take note of notices sent out by the club and do not forget about viewing Channel 63. We also want to recognize our employees for their flexibility and commitment to maintaining the Gleneagles experience while operating around an active construction project. We are confident that the renovated clubhouse will be more than worth it.

Again, welcome back to another great season at Gleneagles as we build for the future.

Respectfully yours,

Gregg Benson, Club President
Kraig Spina, General Manager

FEATURE STORY

A BRIGHT HOLIDAY SEASON

The holidays at Gleneagles may look a little different this year, but the spirit of the season will be brighter than ever.

As our clubhouse renovation continues, we're embracing the changes while finding new ways to create the festive atmosphere our members look forward to each year. A second Christmas tree and menorah will add a special touch downstairs near the Grille Room, while holiday lights will bring a festive glow to the Tennis & Pickleball Center. These new additions are just the beginning of a season filled with familiar traditions and new memories.

And while the season may have a few new touches, the holiday spirit at Gleneagles will be as fun-filled as ever. Families can look forward to the Family Dinner Dance, complete with a Neon Glow Party on the dance floor, get up close with fascinating animals on Jungle Day, or sing along at Kidchella, a festive holiday concert for all ages. Members can also bring their

families together on the golf course and courts for the Family Golf Tournament and Family Pickleball Mixer, while Junior Sports Clinics give our younger guests a chance to stay active and have fun throughout the season.

For easy last-minute gifting, members can take advantage of both the Golf Shop **Holiday Sip & Shop** on December 13 and Gleneagles Gift Cards. Sip & Shop offers the perfect chance to finish your holiday shopping while enjoying complimentary wine and cheese, with complimentary gift wrapping available. **Gleneagles Gift Cards** are another great option for anyone on your list and can be used at both Pro Shops and in our dining venues. Whether you're shopping for the golfer, dining enthusiast or someone who is simply hard to shop for, a gift card lets them choose something they'll truly enjoy.

Across our dining, sports and social offerings, every department is helping make this season feel special. At the heart of it all is what makes the holidays at Gleneagles so memorable: coming together, having fun, continuing the traditions we love and creating new memories along the way.

The holiday spirit also means giving back. From December 1-11, members can support the City of Delray Beach Police Department's annual **Holiday Toy Drive** by dropping off unwrapped gifts for children ages 5-16 in the Lobby. Members can also support **Project Gift**, which helps brighten the holidays for local active military families. Checks payable to Gleneagles Country Club with "Project Gift" in the memo can be returned to the Golf Shop or Concierge by December 18.

Resident Companion & Significant Guest Cards

Resident Companion and Significant Guest cards expire annually on October 31. Please check your email for renewal instructions.

25-26 Fiscal Year Wrap-Up

The 25-26 fiscal year is closing out as one of the most successful in recent history. At the time of printing, we have processed 91 contracts, including 69 new memberships, with most joining us from the Northeast and South Florida. The New Member Capital Contribution is now \$150,000 for Golf, Tennis, and Full Membership, and \$180,000 for Social Only. With continued interest from both seasonal and local buyers, we look forward to welcoming even more new members and building on this momentum in the year ahead.

Seasonal Rentals

As of this printing, we have processed 65 leases for the upcoming season, including 33 tenants who are new to Gleneagles. We look forward to welcoming everyone for an outstanding winter in paradise — and, for some, perhaps the beginning of a longer chapter at Gleneagles.

A Busy Summer for the Design Control Committee

Renovation season was in full swing this summer, and DCC Committee members and staff worked diligently to review applications and meet with residents, contractors and design professionals. The Committee received 27 applications in June, 14 in July and 12 in August. Most requests were for full-unit renovations, followed closely by kitchen and bathroom updates. Approvals moved swiftly, with 14 granted in June, 22 in July and 9 in August.

In addition to conducting monthly DCC meetings, the DCC led ongoing inspections and tours of residences under construction. The Committee's summer momentum continues as it gears up for a busy winter season!

MEMORABLE Moments

REGAN SAMANIEGO
CLUBHOUSE MANAGER

As we look ahead to another exciting season at Gleneagles, our Food & Beverage team is grateful for the opportunity to serve our members and guests. From familiar favorites to new culinary experiences, our goal remains the same: to provide exceptional food, thoughtful service, and memorable moments throughout the Club. As our seasonal international team members begin to arrive, we look forward to welcoming familiar faces and introducing new members of the team. Comprehensive training and preparation are underway to ensure we are ready to deliver the level of service our members expect and deserve. Please note that our in-season dress code will take effect on November 1.

Whether you choose to celebrate Thanksgiving at the Club or gather with family and friends at home, we look forward to being part of your holiday traditions. The deadline to enter the **Thanksgiving** dining lottery is October 26. Thanksgiving To-Go preorders will also begin on October 26, offering a convenient way to enjoy a delicious holiday meal in the comfort of your home. Join us on Saturday, November 14, for a lively evening at our **Seafood Splash Pool Party**. Enjoy an impressive selection of fire-roasted oysters, lobster tails, shrimp cocktail, carved meats, and more, all complemented by vibrant island music and a festive poolside atmosphere.

We are thrilled to introduce our Saturday night theme nights at the club as our Top 40 Under 40 Executive Chef Chris Reichart delivers unique themed experiences most Saturday nights throughout the winter. Evenings such as **Flavors of Greece**, **Asian Odyssey**, and **Gleneagles Fish Market** night are just a few specialty nights that join member-favorite **Lobster Night**, **Brunch for Dinner**, **Taco Tuesday** and **Italian Night**.

December brings the excitement and warmth of the holiday season, along with a full calendar of celebrations and special dining experiences. We are especially looking forward to welcoming members to **Indiana Jones and the Temple of Legends**, our spectacular **Eagles Have Landed** season-opening event. Throughout the season, enjoy themed buffet nights featuring inspired cuisine from around the world, along with

the return of popular traditions such as Family Dance.

The Grille Room continues to be a favorite gathering place for members, offering a welcoming atmosphere and a variety of dining options. It will be open seven days a week for lunch and four to five evenings each week for dinner. Beginning December 20, poolside barbecue and buffet lunch will be available. An à la carte dinner service will return to the Grille Room on December 27. The holiday season offers many opportunities to gather with family and friends at Gleneagles. Join us for special **Hanukkah** and **Christmas** holiday buffets featuring traditional favorites prepared with care, creativity, and the quality our members have come to expect.

Ring in the New Year with two distinctive dining experiences. Enjoy a relaxed and social early evening at the Legends Dinner Buffet, or celebrate with a multi-course dinner in the Grille Room, complete with open bar and elegant service. Following dinner, the excitement continues with **Midnight in Monaco**. The Lounge will transform into an elegant casino inspired by Monte Carlo, while music and dancing take over the Main Dining Room. Guests can enjoy a 9:30 PM ball drop, or stay up late and count down to midnight. Access to the casino experience is exclusive to members who dine that evening in either the Legends Dining Room or the Grille Room.

As we look toward the new year, we want to thank our members for their continued support, feedback, and enthusiasm. Your involvement inspires us to continue raising the bar, reimagining the dining experience, and finding new ways to make Gleneagles exceptional. We look forward to sharing another memorable year with you and working together to make this our best season yet. From our entire Food & Beverage team, we wish you and your families a wonderful holiday season and a happy, healthy New Year.

Happy Campers Ahead!

The calendar is filling up, the holidays are just around the corner, and there's no slowing down at Gleneagles.

November, December, and January bring three action-packed months filled with entertainment, holiday celebrations, family fun, and plenty of opportunities to get together with friends.

From favorite traditions to brand-new experiences, we hope you left plenty of room on your calendar—you may have a hard time choosing! Our advice? Choose them all! Gather your team for Trivia, meet friends at the Blue Note Club, enjoy movies, lectures, and book discussions, or try something completely new. Our entertainment lineup takes us from big nights under the stars with powerhouse British vocalist Nathan James on the Driving Range to the up-close magic and mind-reading of mentalist Andy Gersh in our Voices Up Close series.

The holidays will look a little different this year, with family fun spread throughout the holiday weeks. Children and grandchildren can look forward to our Kidchella festival featuring The Little Mermen & Princess Pals, the return of our much-missed Family Dinner Dance, Floatopia, S'mores & More, family games, and plenty of surprises.

And who says camp is just for kids? Tiles & Tequila, Girls' Night Out, Singles Supper Club, theater trips, Rock on the Range, and other special events give the grown-ups plenty of reasons to join the fun, too!

So unpack those suitcases, open the Activities Calendar and start making plans. Camp Gleneagles is officially back in session, and we can't wait to share another unforgettable season with you! —Tami

The Duchess of Windsor As I Knew Her with René Silvin

DEC 18 | If you've attended one of René's presentations before, you know what makes them so special. This year, he shares his personal memories of Wallis Simpson, the Duchess of Windsor, offering a fascinating perspective that only someone who knew her personally can provide. Best known as the American divorcée for whom King Edward VIII abdicated the British throne, Wallis Simpson remains one of the most talked-about women of the twentieth century.

Massage

MORE THAN RELAXATION

KAREN MIKUS
HEALTHY LIFESTYLE
DIRECTOR

Most of us think of massage as a way to relax, ease tight muscles, or simply take a break from a busy day. But massage can offer something even more important: an opportunity for the body and nervous system to slow down and recover.

Our nervous system is constantly responding to the world around us. Deadlines, responsibilities, lack of sleep, worry, physical discomfort—even the constant stimulation of phones and screens—can keep the body in a heightened state of alert. When stress becomes ongoing, it can become difficult to truly “switch off,” even when we have time to rest.

Massage can help create the conditions for that shift.

Through therapeutic touch, a quiet environment, slower breathing, and the release of muscular tension, massage can encourage the body to move away from the sympathetic “fight-or-flight” response and toward greater parasympathetic activity—the part of our nervous system associated with rest, recovery, and restoration.

That is why you may notice more than relaxed muscles after a massage. You might find yourself breathing more deeply, feeling calmer, sleeping better that evening, or simply experiencing a sense that your whole body has settled.

The Benefits Go Beyond Stress

Depending on the type of massage and the individual, massage may also help:

- Reduce muscle tension and soreness
- Promote relaxation and a greater sense of well-being
- Support recovery after physical activity
- Improve flexibility and ease of movement
- Provide temporary relief from certain types of discomfort
- Encourage greater body awareness
- Create dedicated time for physical and mental restoration

Perhaps one of massage’s most valuable benefits is something we often overlook: it gives the body permission to stop doing and simply recover.

As we begin exploring nervous system regulation at the Healthy Lifestyle Center, we will be looking at the many ways our everyday choices can influence how we respond to stress. Movement, breathing, sleep, social connection, time in nature—and yes, massage—can all become part of our personal toolkit.

Massage doesn’t have to be viewed simply as an indulgence. It can be part of taking care of the system that takes care of you.

Sometimes wellness isn’t about doing more. Sometimes it’s about helping the body feel safe enough to do less.

WELCOME HOME

JOE DEMINO PGA
DIRECTOR OF GOLF

Hello everyone, we want to welcome you home! Time to get ready for a great season of golf, whether it is a fun sixsome or a season major event, the calendar is full. Remember, the events fill up fast, so have your teams ready when we go live. This season, with the renovation started, we will have two Couples events in January, February, and March to give everyone a chance to play in this popular event.

All Golf Members must attend one Golf Orientation; the dates are November 5, December 10, or January 14 at 4:00 PM in the Hall of Champions. November is the month for Opening Days for most of the leagues. Moving right into the month of December, some Majors begin, and then we will be getting ready for the holiday special events such as the Grand Parent/Grandchild Golf Tournament, Junior Clinics, and Holiday Sip & Shop.

We want to thank the members in advance for your help and patience during the renovation. We know there might be a few small challenges, for example shorter warmups on the driving range. We will be working to make sure all members get time to warm up, but keeping it short will help preserve the grass for the whole season.

We want to thank the golf course maintenance crew for their efforts in getting ready for the season. We feel the Legends Course will be playing very nice when it opens. Let's make it a great season! Lots of awesome things happening here at Gleneagles, so let's enjoy every minute of it. If you have any questions please stop by and see us. Let the Season begin!

PRO GOLF TIP

With the driving range being a little smaller for the season, let's spend a little more time on our short game. A one-hour practice could be divided into 20 minutes putting, 20 minutes pitching & chipping, and 20 minutes full swing. This gives us a chance to use all 14 of the clubs in our bag, maybe trying a different wedge for some shots, hitting it low and then high, and learning how to stop the ball better when it lands on the green. If the pin is farther back, work on the lower shot with more roll the 1/3 height & 2/3 roll then the high shot is reverse 2/3 height & 1/3 roll—good stuff to practice. We are here to show you a couple of these shots! Stop by and let's talk golf. Soft hands always helps release the club better though the swing to a better finish! —Joe

IN THE Golf Shop

MEGAN PENDERGRAFT
DIRECTOR OF RETAIL

I can't believe we are already here! Throughout the next few months, you will see fashion deliveries from various companies such as G/Fore Ladies, Holderness & Bourne, and Footjoy for Women and Men, just to name a few. You will notice fall colors with bright accents providing an abundance of choices.

Don't forget our Holiday Sip and Shop on Sunday, December 13! This is the perfect opportunity to get your Holiday gifts at a great price.

Special Orders can be placed anytime at the Golf Shop counter, so don't hesitate to let us know if you want something!

PRO'S CORNER

The season is upon us, and the Golf Department at Gleneagles Country Club is excited to welcome everyone back! The Golf Shop features new vendors, expanded special-order opportunities, and more ways to save on some of your favorite brands.

Meanwhile, the Legends Course Tees & Greens renovation was a tremendous success, and we are thrilled to have everyone back to experience the improvements firsthand. The Clubhouse renovation is also progressing well, and as we navigate these operational changes together, we sincerely appreciate everyone's patience and understanding as we continue this truly exciting project.

To all of our members making their way back to Delray Beach, safe travels! We look forward to seeing you around the club and on the course very soon.

It's hard to believe that it has already been a year since I joined the team at Gleneagles. It has been a very rewarding first year, and I'm incredibly grateful for the opportunity to work with and get to know so many wonderful members.

The 9-Hole Ladies and 12-Hole Ladies Leagues, as well as the Men's 9-Hole League, had a fantastic season last year. It was a pleasure to see the participation, enthusiasm, and camaraderie throughout the season, and I'm looking forward to welcoming everyone back and making this season another successful and enjoyable one.

As we move forward, I'm also looking forward to working through the renovation process and seeing the improvements and opportunities it will bring to Gleneagles.

If anyone is looking to improve their game, fine-tune a particular part of their swing, need any club repair or simply get a few pointers, please don't hesitate to reach out. I'd be more than happy to help with any golf-related questions or work with you on your game. I look forward to seeing everyone when you return from the summer and to another great season at Gleneagles.

Congrats!

RACQUET TALK

MIKE PUC RSPA
DIRECTOR OF RACQUETS

Tennis & Pickleball activities, leagues and events are in full swing, so be sure to mark your calendars to join in on all the fun.

The popular What's All The Racket Mingles are offered each month with complimentary snacks. Live entertainment will be featured on November 24, and tennis exhibitions will be held on December 8 and January 12. Combined Tennis & Pickleball mixers are on November 3 with a Sunset Mixer, November 21 for the Season Opener and January 21 with Dance & Dine Bash.

Tennis players may register for new events like Tennis Triples on November 9, the Tiebreaker Tournament on November 29, and Tennis Poker Mixer on December 12. All member types of Gleneagles may register their grandchildren for the Holiday Junior Tennis Clinics offered from December 21 – 24. Call the Pro Shop to register children age 6 – 16 to learn and perfect the game of a lifetime.

Finally, the Men's and Women's Club Singles Championships are January 8, 9 10. Register for play in flighted brackets to be crowned the Club Champion. Check out all these events and more on the separate Tennis and Pickleball Calendars on the App or Website. Register for tennis on the Tennis Calendar and Pickleball on the Pickleball Calendar.

PRO TENNIS TIP:

THE THREE R'S: Win the Time Between Points

Did you know that roughly 80% of a tennis match happens between points? The ball is actually in play for only about 20% of the time.

That means you have an opportunity to compete—and gain an advantage—for almost every second you are on the court.

When the ball is in play, your job is simple: watch the ball, trust your skills, and execute. But when the point ends, that is when you should begin preparing to win the next one.

Use the Three R's: Recover, Relax and Reset.

1. RECOVER

Take a breath. Clear your mind. As you walk into position, think about what you want to do on the next point. If you are returning, decide what your first return will look like. Deep? Angled? Down the line? Maybe a drop shot?

If you are serving, collect the balls and visualize your serve. Think about placement, spin and pace. Give yourself a plan before the point starts.

And eliminate the distractions. You don't need to talk constantly with your partner or opponent. You don't need to worry about spectators. You don't need to comment on what just happened. You certainly don't need to teach your opponent how to play a tiebreaker!

Get to your position, get focused, and get ready to play.

2. RELAX

Tennis is a game of quick reactions, but that doesn't mean you need to be tense between points.

Loosen your grip on the racket. Put it in your non-playing hand if necessary. Shake out your arms and shoulders. Take a breath. Keep your feet moving and stay light on your toes. Think of it as a physical reset button. Relax your body so your mind can be ready.

3. RESET

This may be the most important R of all.

The last point is over. Whether you hit a winner, missed an easy shot, double-faulted, or lost a point you thought you should have won—it's gone. Don't carry the last point into the next one. Instead, remind yourself of your game plan:

- Attack the weaker player.
- Find the open court.
- Be consistent.
- Make your opponent earn every point.

Then commit to the next point.

Great tennis isn't about playing every point perfectly. It's about responding well to what happens and giving yourself a chance to play the next point with a clear mind.

So the next time you step on the court, remember: Recover. Relax. Reset.

Don't just compete when the ball is moving. Compete between the points, too. Have a plan. Have a purpose. Stay focused for 100% of the match. Win the time between the points, and you'll give yourself a better chance to win the match.

—Mike

PICKLEBALL NEWS

Pickleball at Gleneagles is in full swing, with two fall Boomer League teams, weekly mixers, and a stacked lineup of special events carrying us through the holidays and into the New Year.

Pro organized Sunday Pickleball Mixers from 8:30 – 10:00 AM kick off November 1, providing both a social and competitive atmosphere with various partners.

Pickleball Under the Lights follows on December 1 from 6:30 – 8:00 PM, bringing evening play to the courts if you are busy during the day.

The Pickleball Challenge Cup returns Sunday, December 13, as Gleneagles faces off against Hunters Run Country Club for the Challenge Cup trophy and bragging rights.

On Friday, December 18, from 2:00 – 4:00 PM, Andre Daescu – currently ranked #7 in the world on the PPA Tour– takes the court with three other professionals for a live exhibition showcasing the talent that's made him one of the sport's top competitors.

Heading into the holidays, Junior Pickleball Clinics are offered December 21–24, and a Family Pickleball Mixer on Saturday, December 26 adds to the festive atmosphere at the courts. Looking ahead to January, the popular Pickleball Battle of the Sexes returns Sunday, January 24, followed by the Pickleball Mixed Doubles Championships on January 30–31. Consult the Pickleball Calendar on the App or Website for more information and to register.

PRO PICKLEBALL TIP: DOWN THE MIDDLE SOLVES THE RIDDLE, (MOSTLY)

“Down the middle solves the riddle” is good general advice, not a hard rule.

Why it Works:

- Compresses opponents' angles pinching both players toward the center, taking away the wide cross-court and down-the-line shots that make aggressive returns dangerous
- Creates “yours/mine” confusion between partners, and that split-second hesitation often turns into a weak return or a mistimed shot
- Highest-percentage shot on the court since the net is lowest in the middle, giving you more clearance and less risk of clipping the tape or sailing wide, especially under pressure at the kitchen line

When to Break it:

- Attack a weaker player directly instead of neutralizing both. A middle strategy assumes a symmetric matchup, and real ones often aren't
- Avoid feeding a poacher camped in the middle looking to pick off soft, predictable shots.
- On drops and resets, an angle that pulls someone out of position and forces extra movement often beats a straight middle ball that lets opponents stay compact and balanced.

Bottom Line: The middle is the right default when you're unsure, transitioning to the kitchen line, or want a safe, high-percentage shot, but it's not a substitute for reading the specific matchup in front of you. Use it as a starting assumption, you're willing to override, not a rule you follow blindly.

GLENEAGLES CHAPTER OF THE PAP CORPS

The PAP Corps has a mission to raise monies for research to cure cancer—ALL cancers! This past year, the 51 chapters throughout Southeast Florida presented Sylvester Cancer Research Center at the University of Miami Miller School of Medicine with a check for \$4.3 million dollars! Those monies helped to fund a specific historic advance in research and clinical trials for pancreatic cancer. The new drug Rasonque helps to extend the lives of people with this dreaded disease! Your dollars provide the groundbreaking research needed to help eradicate all types of cancer. When you join the PAP Corps, you will have expedited access to appointments with doctors for any medical specialty, not just cancer, at the Miami Health system including Bascom Palmer, the #1 eye institute in the country. We hope that you will become a PAP member and support this wonderful organization. We are only a phone call away! — Sue Schoenwald, President

GLENEAGLES CHAPTER OF PLAY FOR P.I.N.K.

Welcome back everyone! We would like to invite our returning members, our new friends and anyone who would like to help in finding a cure for breast cancer, come and join us at our first open meeting on November 4 at 9:30 AM at the Glen Garry Satellite. It is a wonderful way to meet new people and share ideas. Whether you can volunteer at an event, help with fundraising or simply give a little of your time, every effort makes a difference. The dates of our future meetings are: November 18, December 1, December 16, January 6 and January 13, all at Glen Garry Satellite at 9:30 AM.

Our biggest fundraising event, our 2-Day Men's and Ladies' Golf Tournament, will take place on February 1 and 2, 2027. Applications will be available in the Golf Shop on December 20, 2026. Over the last 23 years, Gleneagles Play for P.I.N.K. has raised more than \$2,500,000. 100% of all monies raised goes directly to research. We need you! Come and join us, together we can make this a record breaking year. Hope to see you in November! — Vicki Burnstein and Rita Horowitz, Co-Chairs

Have You Had Enough?

There can come a point with any addiction when you realize something needs to change. Having enough doesn't mean everything is lost—it may simply mean you're ready to consider a different path. As we age, alcohol and substance misuse can carry added risks as the body changes with age. Retirement, loss, loneliness and health challenges can also contribute to increased use. **The good news is that support is available.** A confidential weekly 12-Step meeting is offered in a private setting for members seeking support with addiction of any kind. Sometimes, recognizing that you've had enough is the first step. Scan the QR code to learn more or contact Michael at 336-255-8104.

The Gleneagles Technology Club has a lot planned for the coming season, and we hope you'll join us. Our monthly meetings are open to everyone at Gleneagles, held at 4:00 PM on the third Tuesday of each month.

On November 17 at Strathearn, come meet our Board members and workshop teachers, learn more about what the Tech Club offers, and get an introduction to our new website. On December 15 at Loch Maree, learn about Apple's new iOS 27 update, including what's new and what you need to know. On January 19 at Strathearn, representatives from the Palm Beach County Clerk's Office will join us to discuss ways to protect yourself from property fraud and other scams. Tech Club members can take workshop classes on a variety of technology topics (pre-registration required) and get one-on-one help with your digital devices. Visit our website for schedule, registration and/or Help links. Our yearly dues for each season (starting each October 1st) is \$20 per family. THE TEMPLE OF LEGENDS

AN INDIANA JONES
ADVENTURE

FRIDAY, DECEMBER 11
SATURDAY, DECEMBER 12

6:00 PM • Legends Dining Room

Embark on an unforgettable adventure as we kicks off another spectacular season with The Temple of Legends: An Indiana Jones Adventure!

Journey into a world of ancient ruins, hidden treasures, and breathtaking décor as the clubhouse is transformed into an immersive expedition where every turn reveals a new surprise and every member becomes part of the story.

Your evening begins with adventurous libations and a selection of chef-inspired hors d'oeuvres before exploring an array of gourmet action stations featuring bold flavors and globally inspired cuisine worthy of the world's greatest explorers. As your culinary journey concludes, the adventure continues with live music, dancing, and unforgettable entertainment.

Gather your fellow explorers and celebrate the beginning of another remarkable season filled with friendships, memories, and new adventures!

Legends Evening Dress Code. \$95. Members Only. Lottery due Nov 11.
